

Find Klinik+ i dit lægepraksissystem

Se her hvordan: (der arbejdes på, at Klinik+ får sin egen knap centralt placeret i lægepraksissystemet)

CGM – XMO

Menu: **Online opslag** → 1Login

Vær opmærksom på, at du her skal have en patient åben, for at løsningerne vises.

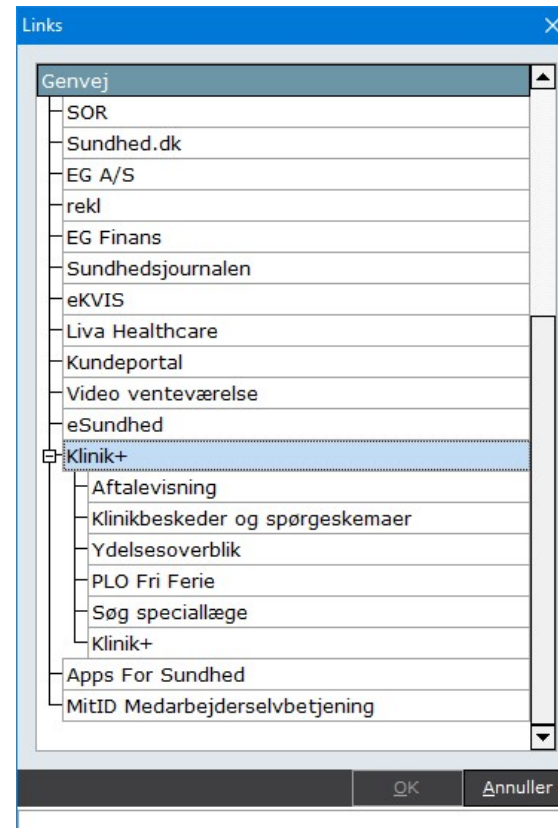

EG Clinea

Menu: **Moduler** → Links → Klinik+

Clinea via øverste menubjælke:

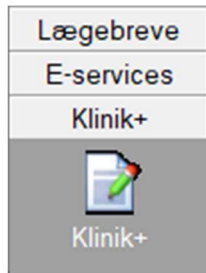

Clinea via Links:

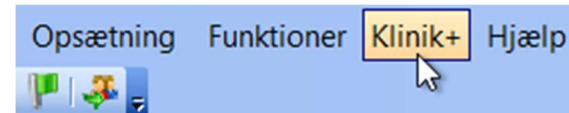

EG WinPLC

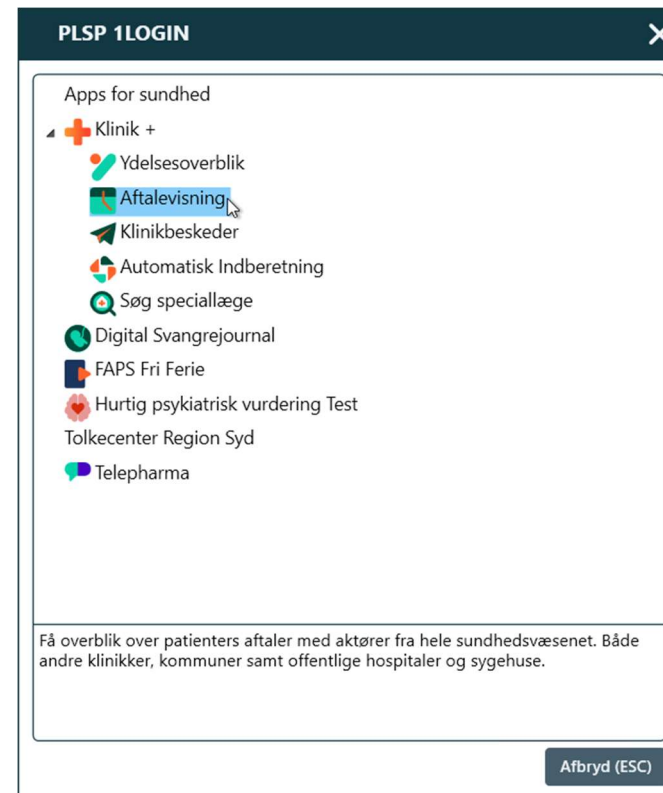

WinPLC via funktionsmenu til venstre:

WinPLC via øverste menubjælke:

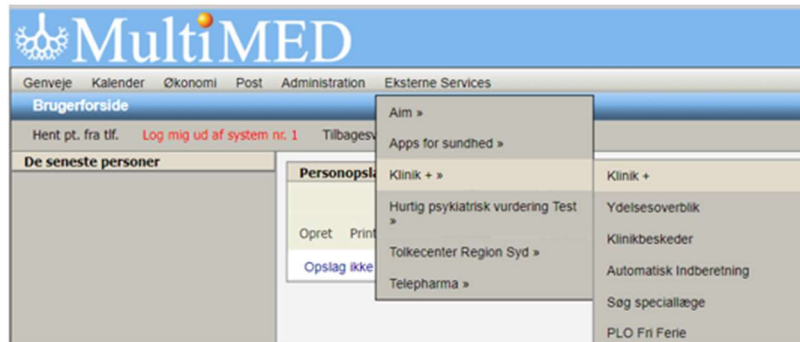

Herefter får man denne menu:

Multimed - MultimedWeb

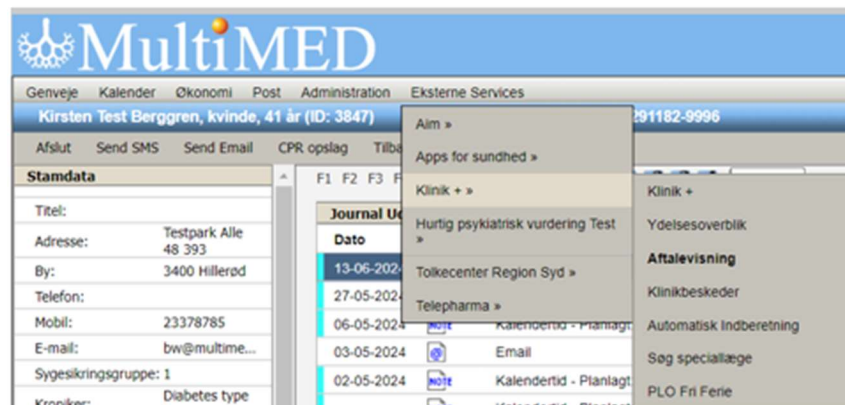

Menu: **Eksterne Services**

Menu åbnet uden patient i fokus.

Menu: **Eksterne Services**

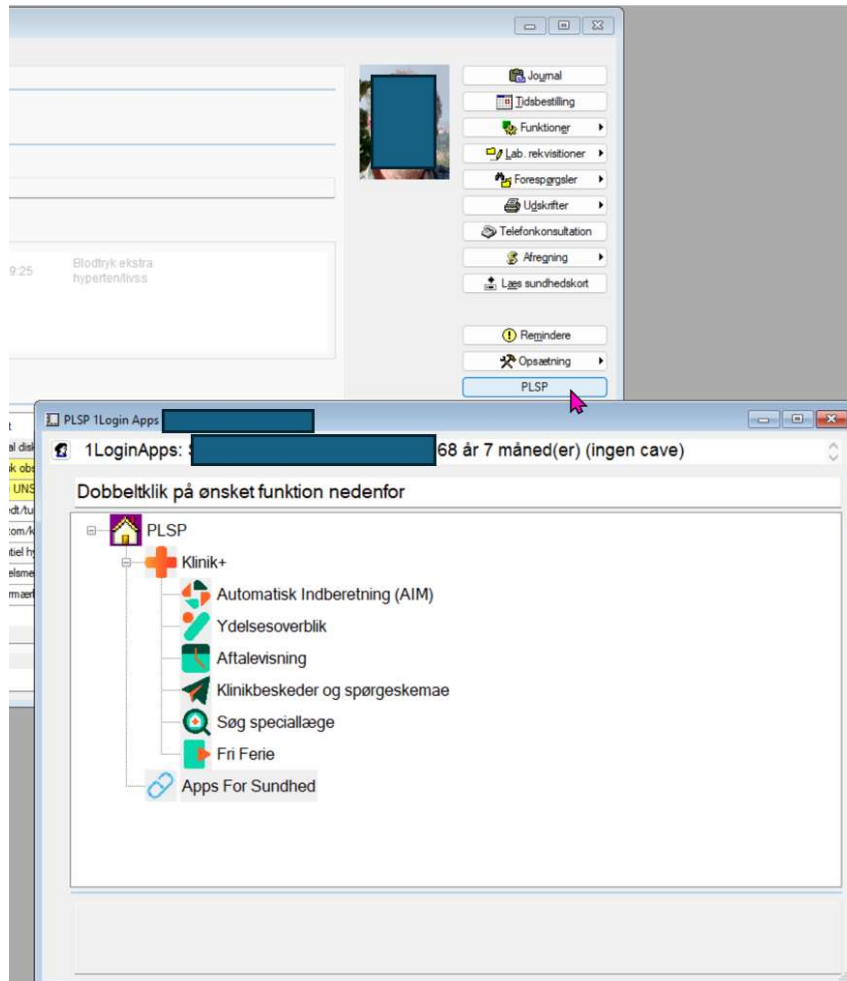

Menu åbnet med en patient i fokus (patientens journal er åben)

Bemærk: Undermenupunkter markeret med Fed er relateret til den aktive patient – i eksemplet – patientens aftaler.

Multimed – MyClinic

Menu: Vælg **PLSP**

Novax

Menu: **Klinik+**
